Super **ACHIEVER** Batch

for NEET 2023

Course Syllabus

PHYSICS	CHEMISTRY	BIOLOGY
Basic Maths, Vector, Unit and Dimension, Error	Mole concepts	Living world, Locomotion and Movement
Thermal Properties of Matter	Atomic Structure	Evolution
Kinetic Theory of Gases	Redox, Metallurgy	Reproduction in Flowering plant
Kinematics	Organic Chemistry (Excluding Nomenclature & Isomerism)	Biological Classification, Plant Kingdom
Newton's law of Motion	Periodic table	Animal Kingdom
Centre of Mass, Collision & Rotational Motion	Chemical Bonding	Cell : The unit of life, Cell division
Oscillations, Waves Motion	Coordination Chemistry	Plant physiology
Capacitance, Current Electricity	Chemical Kinetics	Breathing and Exchange of Gases (Respiratory System), Excretory Products and their Elimination (Excretory System), Digestive System
Electrostatics	Electro Chemistry	Body Fluids and Circulation (Circulatory System), Chemical Coordination and Integration (Endocrine System)
Electromagnetic Induction, Alternating Current	Solution	Human Reproduction, Reproductive Health
Ray optics, Wave optics	Solid state	Principle of Inheritance & Variation, Molecular basis of Inheritance
Dual Nature of Matter & Radiation	Chemical Equilibrium	Human Health and Disease
	Ionic Equilibrium	Biotechnology : Principle and process, Biotechnology and its Application
	Thermodynamics	Ecology
		Reproduction in Flowering plant
